Vision Statement

The Vision of the Jefferson Rehabilitation Center is to be a leader in service delivery for persons with disabilities.

Mission Statement

The Mission of the Jefferson Rehabilitation Center is to enhance the quality of life and maximize the potential of persons with disabilities.

Values

Personal Growth

We will provide unlimited opportunities and experiences to encourage individual growth and development in an environment that recognizes choice, independence, inclusion, individualization and productivity.

Responsiveness

We will adapt to new, different and changing needs of those that we serve by being flexible and receptive to change.

Inclusion

All persons will be encouraged to contribute to the community where they live, thereby enhancing their self-esteem through the sense of work, belonging and service to others.

Dignity

All persons will be treated with dignity and respect, their human rights will be protected, and they will be provided with a safe and healthy environment.

Excellence

We will continually challenge ourselves to improve both the quality of our organization and service delivery by pursuing excellence in standards, service and technology.
